FOIA Advisory Committee Recommendations

Presented by FOIA Advisory Committee Members

Bradley White, Department of Homeland Security

Michael Morisy, Muckrock,

The FOIA Advisory Committee approved 22 recommendations for delivery to the Archivist as mandated by the Committee's charter for actions to improve the implementation of FOIA. The culmination of the Committee's work is now available in its recently released Final Report. Join us as we discuss the more provocative recommendations and how they would be used in agency strategic plans, providing mandatory annual FOIA training, and briefing new senior leaders on their obligations and responsibilities under the FOIA.
